

ALUMNI CAP

YOUTH FOOTBALL CAMP

The ALUMNI CAP annual Football camps are put on to teach youth players the fundamentals of the game and improve their skills through technique and various drills. They are also put on to raise funds for CAP's (Career Achievement Plaques) for letter winners at the University of Nebraska. These CAP's are an outstanding way to honor Husker letter-winners annually at events ALUMNI CAP puts on by memorializing the letter-winner's careers in a way that has never been done before. Go to www.alumnicap.com and watch the video on the home page to see more information on our ALUMNI CAP honoring events.
