## WICHITA YOUTH FOOTBALL CAMP

ALUMNI CAP youth football camps are put on to teach players the fundamentals of the game and improve their skills through, technique and drills. We execute these camps to give back to the youth by bringing in highly awarded college and pro athletes to coach the camp. Youth football camps are also put on to raise funds for CAP's (Career Achievement Plaques). These plaques are an outstanding way to memorialize and honor College letter-winners careers in a way that has never been done before. Go to [www.alumnicap.com](http://www.alumnicap.com) and watch the video on the home page to see more information on our ALUMNI CAP honoring events.
